Official Apex Reviews Rating: ★★★★★

When Chance McKenzie is wrongfully convicted of brutally murdering his wife, his hopes for a fair retrial are tragically snuffed out when another inmate ends his life behind bars. Thinking the matter closed, the Tallahassee District Attorney's office is suddenly surprised to experience a host of strange paranormal activity disrupting their everyday activities. The source of the trouble: the restless ghost of Chance McKenzie, who is determined to prove his innocence from beyond the grave. So, when noted ghost hunter Phoenix Worthy is called to the scene, he and his talented team of paranormal researchers have every intention of neutralizing Chance's ghost and returning things back to normal – but as their investigation begins to uncover a trail of malicious lies and half-truths, they are suddenly brought face-to-face with a malicious killer who ultimately proves to be more deadly to their efforts than Chance ever could...

Rife with riveting action and gripping suspense, **Haunting Injustice** is a bona fide page-turning thriller. In his standout debut novel, author Mickey Mills combines a tantalizing mix of romance, drama, and mystery to spin a captivating tale of unjust murder, undying love, and undeterred vengeance. Whereas some paranormal stories tend to come off as hokey or a stretch to believe, **Haunting Injustice** is a powerful, vivid depiction of the depths of real emotion – as well as the extremes to which we'll go to defend that which we care about most.

With intriguing plotlines and a convincing cast of characters, **Haunting Injustice** is an engrossing supernatural thriller that grips you from beginning to end. A thoroughly entertaining read.
